

Madison Inferno Volleyball Club

How to Register for Tryouts

1. Anyone wanting to tryout for Madison Inferno needs to have 2 memberships:
 - a current Badger Region USAV membership and member #
 - If you are new to Club volleyball, you will need to purchase a tryout or full USAV membership with the Badger Region (<https://badgervolleyball.org/register-with-badger-region-usav/>) prior to attending our tryouts.
 - If you were a Badger Region USAV member last year, you'll need to renew your USAV membership (<https://badgervolleyball.org/register-with-badger-region-usav/>). Last's year's membership expires on 8/31.
 - a current AAU membership #
 - You can register for AAU here: <https://play.aausports.org/joinaaui/memberappdirectorpage.aspx?GuestID=48236133-b3a7-4c0b-a9a1-00f6635fa89e>
 - Both the Badger Region and AAU charges you a fee to register with them. That is a fee you pay directly to them (has nothing to do with Inferno). That is a separate fee from your required Inferno Tryout fee. These are separate fees going to separate organizations.
2. Once you have a current Badger Region USAV membership, write down your member # and have it handy to register for Madison Inferno Tryouts. You cannot register at Madison Inferno without your membership #.
3. Register for the Madison Inferno Tryouts on our website (www.InfernoVBC.com)
 - You are not officially registered until you have paid your registration fee.
 - ALL tryout fees are non-refundable.
 - In addition to Registering and paying, you must complete all of the below at Check-in. If possible, complete in advance and bring them to the Tryouts for Check-in:
 - Madison Inferno waiver
 - USA Volleyball medical release form
 - Athlete Parent Concussion Agreement
 - USAV Badger Region membership #
 - Bring a copy of the athlete's birth certificate (some tournaments require we have these)
