

Madison Inferno Volleyball Club

Coach Profile: Brittany Reynolds

Coaching Philosophy:

My coaching philosophy has two focuses: Growth and development. I want my players to always leave the gym having grown as a player. And I want my players to leave me having grown as a person. Constantly developing skills for the great game of volleyball and for the great game of life.

About Me:

- I was raised in Gahanna, Ohio, a suburb of Columbus, in a close-knit family home with my parents and three brothers.
- As a young child I enjoyed playing the piano and swimming.
- My interests quickly shifted to playing the violin and volleyball when I reached middle school.
- I studied mathematics and computer science in college and now work at Epic.
- I enjoy spending my free time singing, playing my violin, and painting when I am not playing or coaching volleyball.
- My passions are teaching, and, of course, volleyball, which is the root of my love for coaching.

Volleyball Playing Experience:

- My junior and senior year of high school I was First Team All-Conference and All-District.
- Senior year I beat my school's record for number of kills in a season and career.
- For my 16s, 17s, and 18s years of club I was a member of the Columbus Volleyball Academy, where my team earned a spot at the Girls Junior National Championships every year.
- I redshirted my freshman year of volleyball at the University of Dayton (Dayton, OH) due to injury
- I played my last four seasons at Barry University (Miami Shores, FL), where my team won the SSC conference championship my junior year and made it to the 3rd round of the NCAA post-season tournament my senior year.

***"Make it a great day, or not.
The choice is yours"***

Volleyball Coaching Experience:

- Assistant Women's Volleyball Coach at Johnson and Wales University
- Varsity Assistant Boys Volleyball Coach at Monsignor Edward Pace High School
- Freshman Boys Volleyball Coach at Worthington Kilbourne High School
- Boy's Volunteer Assistant Volleyball Coach at Gahanna Lincoln High School

Favorite Volleyball Moment:

At Girls Junior National Championship, I ran a 1 ball out of the middle and got my foot caught in the net. My setter had to catch me because my foot stayed in the net.
